

AMES HISTORY **MUSEUM**

2021 ANNUAL REPORT

DIRECTOR'S NOTE

BY CASIE VANCE, EXECUTIVE DIRECTOR

I am pleased to present AHM's 2021 Annual Report. Our staff and volunteers had another very busy year! In addition to cataloging objects, hosting visitors, installing exhibits, and providing engaging programming and research assistance, highlights of the year include:

- In February, we installed the "Know History. Build a Better Future." banner on the north side of the museum building, highlighting nine notable Black individuals from Ames history.
- In August, we purchased the Ames Pantorium building adjacent to the museum. Late in the year, we began a capital campaign to fund restoration of the Pantorium, renovation of the existing museum building, and construction of an addition. More information to come!
- We celebrated the organization's 40th birthday (delayed from November 2020) at our annual benefit event on August 26. It was a fun party and a successful fundraiser!
- We opened two feature exhibits this year - "Black Trailblazers" inside the museum and a four-part series in the museum's windows, "A Woman's Place is Everywhere: Groundbreaking Women in Ames History."

The museum's success would not have been possible without your support. Whether you've supported us as a member, donor, or volunteer, each act of support and encouragement has helped move the organization forward. Thank you!

COLLECTIONS & EXHIBITS

- More than 700 objects were cataloged and entered into PastPerfect museum software. Many of the artifacts in AHM's permanent collection are searchable and accessible to the public through PastPerfect Online on AHM's website.
- Interesting objects received in 2021 included: Pfizer BioNTech COVID-19 vaccine vial, meeting minutes and records from the century-old Vendredi Bridge Club, 1939 Ames High class ring, artifacts and archival materials from former mayor Ted Tedesco.
- "Uncorked: The Spirited History of Alcohol in Ames" was on display through July. In September, "Black Trailblazers" opened. The exhibit explores the legacies of nine Black pioneers in Ames history.
- "A Woman's Place is Everywhere: Groundbreaking Women in Ames History" is a series of exhibit panels featuring women in science, government, activism, and business. These were on display in AHM's Douglas Avenue windows throughout the year.
- Three virtual exhibits/tours were launched in 2021: Ames locations related to G.W. Carver, historical tour of Campustown, and locations related to the women featured in "A Woman's Place is Everywhere."

PROGRAMS & ENGAGEMENT

- Another successful lecture series took place January through June, virtually on Zoom. Total attendance for the six lectures was 731.
 - Hoggatt School was open each Sunday afternoon from June 6 through August 1. Programs included a spelling bee, schoolyard games, making butter, and more.
 - Staff and volunteers participated in many community events including Art Walk, Music Walk, Discover Downtown, Octagon Art Festival, Downtown Trick-or-Treat, and Snow Magic.
 - The annual benefit dinner in August was attended by 149 people. Awards were given to the Sargent Family, Ted Tedesco, Eric Wierson, and Rollie and Willie Struss. The theme for the fun evening was "AHM's 40th Birthday Party." This was AHM's most successful annual benefit event yet, with a net profit of \$24,748.
 - AHM partnered with Ames Public Library for several lectures, the Graphic Design Social Club at Iowa State University for the "Know History. Build a Better Future." banner, the City of Ames for an exhibit about the 125th anniversary of the power plant, and many other organizations for special projects and events.
